SUMMARY

Hey myself Tanmay Dhote is a motivated and enthusiastic B.Tech Computer Science student with a strong foundation in programming languages such as C and Java. Possesses good problem-solving abilities, analytical thinking, and a keen interest in software development and emerging technologies. A quick learner with strong communication, teamwork, and time management skills, seeking an opportunity to apply technical knowledge in a practical environment and grow professionally.

OBJECTIVE

Aspiring software engineer with a passion for coding, problem-solving, and emerging technologies, seeking a role where I can leverage my technical skills in C, Java, and software development to deliver impactful solutions. To secure a position in a progressive organization that encourages innovation and learning, enabling me to utilize my technical knowledge, creativity, and teamwork skills to contribute to real-world projects and enhance my professional growth. Motivated B.Tech CSE student with a solid foundation in programming languages like C, Java, and Python. Skilled in problem-solving, analytical thinking, and software development concepts. Eager to apply technical knowledge to real-world projects and contribute to innovative solutions in a professional environment.

KEY ACHIEVEMENTS

Efficiency Improvement Project

Implemented optimized logic using C/Java, resulting in faster and more reliable output.

Project Management Success

Successfully completed academic projects in C/Java demonstrating strong programming skills.

SKILLS

- C
- C++
- Java
- Python
- HTML
- CSS
- JavaScript
- MySQL
- SQLite

SOFT SKILLS

- Time Management
- Team Player
- Communication Skills
- Problem-Solving
- Adaptability
- Leadership Ability
- Critical Thinking

PROJECTS

Online Bookstore Management System

02/2025 - 05/2025 Nagpur, Maharashtra

- Developed a web-based application using Java and MySQL to manage book inventory, customer orders, and sales. The system allowed users to browse books, place orders online, and generate sales reports for the admin.
